Introduction

Understanding [God's plan for man](#) is the only way we can know the purpose of our existence. This [free bible timeline scroll](#) is a Biblical and historical overview of that plan. With the aid of Hebrew and Greek scriptures and other references, this study aid may help answer some key questions such as:

- 1. Does scripture and current scientific knowledge support each other on the creation and development of God's plan for man?*
- 2. Was Adam a living man when God breathed into his nostrils a spiritual divine inspiration, the "Breath of Life"?*
- 3. Is the seed of Satan from Cain through the Kenite line continuing an attempt to take over God's plan for man?*
- 4. Was the Flood a localized event that God used to prevent the seed of Satan from cutting off the pure Adamic line to Christ?*

This [free bible timeline scroll](#) offers a chronological parallel between scriptural and historical events. Many references are given to help the reader toward a deeper understanding of God's plan from creation through the ages into eternity. Some references given need to be taken back to the original Hebrew or Greek to understand fully the correlation of what is being shown. Detailed explanations are kept to a minimum in the hopes that the reader will be sanctified through the truth of God's word (John 17:17) when they discover God's Plan for Man.

The reader should note the intention of this [free bible timeline scroll](#) is to be used as a guide containing references and thoughts that can lead to a deeper investigation into God's word. It was arranged to show the main line of God's Plan for His Kingdom beginning with time and continuing through the ages into eternity. Eternal life with God is granted to those that choose to believe in and follow the Lord. To show God's purpose with man, this free bible timeline scroll has been divided into the three earth ages, containing nine main themes.

1st Earth Age: Contains the beginning of time and God's creation of the Heavens and Earth shown as the Creation Theme.

2nd Earth Age: Is broken up into seven days on a time line scale of approximately 1000 years per day as scripture indicates. The 2nd Earth Age is approximately 7000 years long beginning with Adam becoming a living soul and ending with the Great White Throne Judgement. This area contains the generations of man. There are seven main themes to describe the generations of man. These themes are the Adamic, Flood, Abrahamic, Key of David, Christ, Prophecy, and the Millenium.

3rd Earth Age: Contains the fulfillment of God's Plan for His Kingdom, described as the Third Age Theme.
